

My Ideal Day

Imagine the following:

Where are you living?

Who are you with?

What is the first thing you think of on waking?

Get out of bed, then what is the first thing you do?

Do you eat breakfast, if so, what does it consist of?

Do you exercise, if so, what type?

What work are you doing? Are you passionate about it?

How do you earn your money?

What do you do when you are not working?

Who do you eat with?

What do you do in the evening?
